

Luk 18:16 *But Jesus called them unto him, and said, Suffer little children to come unto me, and forbid them not: for of such is the kingdom of God.*

AN ENJOYABLE HEADACHE

Wherever we have served we have had a very active children's ministry. In Ireland where it stays light in summer until nearly 11PM...the street urchins who were part of our SS would think nothing of ringing our bell at half past 10PM. In Romania the Gypsy kids would come into town to beg on Sundays and we fed them breakfast with a goodly portion of the Lord. Here in PI we have what they call extension ministries for the little ones on Saturday morning. This week we had five saved and four came to church. We added another kids ministry this week. If they come to church, we feed them a good meal after the service. This is for the bus kids only, but this may just be the only nutritious meal they get all week.

WALK PREACHING (their own idea...glory)

I was elated when several weeks ago some of our students came and made a proposal to me. They thought of this ministry all on their own. They asked me if they could take the voice amplifier and walk up every street in Lumbia and preach while walking in the neighborhood. They have the suburb all mapped out and they want to keep going till they have covered every street. Praise the good Lord, I was so excited I wanted to jump out of my skin. Here are some scenes from this new ministry.

STUDENTS ORCHESTRATE A SERENADE

Not every king has an orchestra to serenade him at 5 am on his birthday. Our ever-improving music ministry combined a Filipino tradition and woke me up at 5 am on my birthday (76) and played the loveliest songs while we all ate breakfast together. What a lovely time we all had. I had so much fun I have decided to keep having birthdays...at least for a while.

PRAY FOR THE BRENTON WHITES TO GET HERE

They were supposed to be here in May of 2020 but Covid. Now they are filing for a special business visa which may allow them to come soon. Please pray...we need them...all else is going well. Would love to hear from you either via email gsutek@streetpreaching.com or telephone 850-208-3773 (remember we are 13 hours AHEAD of Eastern Standard Time.
