

# DISPUTING IN THE MARKET

Maybe because there is no synagogue and no Jews ,we go to the market and minister. Disputing with those who will dispute. This is something I miss from Europe and USA...no disputing. We have some of the most noticeable signs in all the ministry and yet the apathy prevails here. These are passive people for the most part. The banner on the back of my vehicle hangs from two tiny hooks put into the plastic above. If you can find a great parking space it ministers to many who are coming and going by. The argument on the banner is the most direct and conclusive for a Catholic. What can any Catholic say in response to this pure scripture. We use a tract to match and expounds the argument. Hey, these ideas are not copyrighted, help yourself.

All of these photos are of our ministry at our local Lumbia market day. We get out on the streets as a church a couple times a week, but there are several smaller groups that are practicing Acts 20:20 more days each week.

When the good Lord spoke to my heart and commanded me to come to the Philippines to teach sound doctrine, I did not fully understand the why...but I do now. Today, not only in PI ,but all over the world there is a serious famine of correct Bible understanding and sound doctrine. The verse that tells us in the last days they will not endure sound doctrine has come to pass.

*2Ti\_4:3 For the time will come when they will not endure sound doctrine; but after their own lusts shall they heap to themselves teachers, having itching ears;* Even Christians who live the theology of "Bible Believers" are still tolerant of abortion, sodomy, sexual aberration, idolatry, political bribery, dysfunctional families, and many other Biblically important problems we face in our time. God's army could use a newly drafted division of some mighty men who are strong in doctrine and strong in publick battle.

This is what our goal is to produce in our Bible institute. Please pray the Lord gives us a new class to begin soon. It seems like we have witnessed a dress rehearsal of how antichrist will succeed with the taking of his mark. Thank God for the rapture or many of my friends and relatives would buy into taking his mark.

Ready to fly... Amos 5:10
