

## SWAT REPORT # 306 AUGUST 5, 2021

[Eph 3:20](#) Now unto him that is able to do exceeding abundantly above all that we [ask or think](#), according to the power that worketh in us,

### AGAINST ALL WORLDY ODDS

Some of you know the first part of this story and you helped us pray for the White family to finally get to their mission field which is here with us on the compound. Well, you don't know the half of the story. A brief, up-to-date summary would begin in May **2020**. Having finished their deputation and rid themselves of nearly all worldly possessions, and having cut all ties, the **five** of them were driving to O'hare airport to board their booked flight to Philippines. The phone rang and the airline cancelled them at the last minute "due to covid." For 15 months they have been numbered amongst the homeless. They have kept their eyes on the center of the Lord's will, the Philippines, and remained faithful to the ministry both in churches and on the street and personal work. I will fast-forward to the happy ending with these generalities. Technically, the PI is still closed with no visa availability. Add to this the total confusion on mandatory vaccines, unpredictable lockdowns, masks, face shields, quarantines, QR codes, airline barangay release passes, check points, and covid tests. Lester Roloff said, "America is an insane asylum run by the inmates." He said that in the early 80's and I was there when he said it. Well, it ain't got no better since.

### MIRACLE OF MIRACLES

Through this golf course with 462 sand traps, 89 water hazards, doglegs, alligators, mostly roughs, and thick woods, the Whites finished the course to the 27<sup>th</sup> hole. They landed in CDO Saturday morning and Bro. White preached Sunday afternoon. We don't have to pray anymore because there is nothing else to pray about...joking of course.

### THE NEXT GENERATION

[Rom 12:15](#) [Rejoice with them](#) that do rejoice, and weep with them that weep.

All on the compound here are rejoicing along with all **six**, and soon to be **seven**, Whites as they make themselves at home in their White house. In many ways the Whites represent the next generation in this ministry.

All is in place now for the new Bible college class except for the students. Please pray that some serious Bible students will make the commitment to this new 3-year, full-time course. All else is very well. Thanks for your support both in prayer

and finance.
